OWNING YOUR NEW URBAN CRUISER

Toyota Comprehensive Warranty

This new Toyota model comes with the standard 3 years or 100,000 km manufacturer's warranty, plus an extra 2 years and 50,000 km giving you a **total of 5 years or 150,000 km** of extended warranty coverage, which covers any defect caused by a manufacturing fault.

In addition, a 3 year or 100,000 km paint warranty protects against defects and surface rust caused by a manufacturing fault (except load bin's which are covered for 1 year).

Every Toyota commercial vehicle is covered by a 3 year - unlimited mileage corrosion-perforation warranty, covering corrosion of body panels caused by a manufacturing fault in materials or workmanship.

Toyota Genuine Parts

Providing the reassurance of Toyota quality, only Genuine and approved components are used on your vehicle. Utilization of Genuine Parts helps you in maximising the life and resale value of your vehicle. Also, all Toyota Genuine Parts sold over the counter are covered by Parts warranty.*

*coverage policy (time or distance) country/ product dependent

Counterfeit Parts

Toyota **strongly discourage** the purchase and use of counterfeit products:

Counterfeit parts are not made from the same high-quality materials or subject to the same strict quality controls as Toyota genuine products, leading to **serious risks** for the driver and passengers, as these parts may wear down faster causing car **breakdowns** or **accidents**. Also, use of counterfeit parts will result in **loss of cover** from the manufacturer warranty.

Toyota Affordable Maintenance

All Toyota vehicles are designed and engineered to minimise maintenance costs. This means fewer parts that require servicing and, equally important, is that Toyota vehicle technology is made easily accessible allowing for quicker service times and competitive prices.

Toyota Service Plan

Your dealer offers a range of service plans which can be adapted to your needs. Generally, the service plan covers periodic maintenance operations recommended by the manufacturer, helping you preserve the life and value of your vehicle. The service plan can be extended once the term of the contract expires (time or mileage).

Toyota Quality Service

Your Toyota dealership will advise you on your vehicle's service requirements and locations of Authorised Toyota Service Centres. Your vehicle will need a health and safety check at least once a year. While an **intermediate check is necessary every year or 10,000 km** under normal usage conditions (5,000 km in case of severe usage conditions).

Toyota Certified Technicians

Expertly trained technicians using only Genuine Toyota parts will perform your service at the Authorised Toyota service centre nearest you. After a full vehicle inspection the service advisor will advise you on the correct service for your vehicle based on its mileage, age and service history.

Accessories

Our accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor made for your Toyota they add a touch of style, luxury and practicality, they are tested for exceptional durability to enhance the enjoyment of your new vehicle. All accessories are covered by a 1-year warranty.
